

No matter how low the prices quoted by others on advertised specials, you will find them still lower at Macy's.

We invariably undersell all others, and we invite you to test this claim at your pleasure, choosing any article of merchandise suitable for such a comparison.

We Now Have on Display The Largest Collection of Weathered Oak Mission Furniture Ever Shown by One Store.

A Depositor's Account Permits You to Have Your Purchases Charged.

The patrons who enjoy the benefits of our unique Depositors' Account System number well into the thousands. They deposit as much or as little as they care to, with this understanding:

Money may be withdrawn at a moment's notice. Purchases may be made in the usual way and charged against sum on deposit. Statements will be rendered monthly. Interest at the rate of 4 per cent., compounded every three months, will be allowed on the unexpended balance. No checks can be drawn against the deposit.

This plan gives you all the conveniences of the credit system without subjecting you to any of its faults. The chief fault of a credit system is the cost of maintaining it, through expensive credit machinery and unavoidable loss by bad debts, all of which you pay in higher prices at the credit store. At Macy's the man who pays his bills does not make up for bad debts by higher prices. We invite you to investigate this system. The department is located on the balcony, over the main floor.

Four Hundred \$12 Sofa Beds to Sell at 7.75

We have had a good many sales of similar beds, and we have sold a good many hundreds, yes thousands, of different kinds. But we have never had so good a bed to offer at a little a price as this "Royal Sofa Bed" for to-morrow.

Four hundred of them are on hand—bought from a maker who wanted immediate cash, and a lot of it. We would have taken two thousand at the price.

We show the "Royal" in two positions. In No. 1 the bed is shown with both sides raised, which makes it practically a double bed. By dropping both sides, you have a single bed, or couch. Cut No. 2 shows the "Royal" with one side lowered and the other raised—making a complete and beautiful sofa.

Each Bed is Furnished Complete with Heavy Quality Mattresses, Covered in Finest Quality of Green Denim.

For homes, where room is at a premium; or for those folk who wish a piece of furniture that is attractive, useful and withal convenient, the "Royal" will appeal as no other Sofa Bed possibly can.

Four hundred on sale to-morrow at \$7.75 complete. You won't find them in any other Store below Twelve Dollars.
